Forward Looking Statements

This press release contains forward-looking statements that are subject to substantial risks and uncertainties. There are a number of factors that could cause actual results to differ materially from those anticipated by statements made herein. These factors include, but are not limited to, changes in general economic conditions, technology and the market for the Company's products and services, including economic conditions within the e-commerce markets; the timely availability and market acceptance of these products and services; the Company's ability to satisfy in a timely manner all SEC required filings and the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and the rules and regulations adopted under that Section; the challenges and risks associated with integration of acquired product lines and companies; the effect of competitive products and pricing; the uncertainty of the viability and effectiveness of strategic alliances; and the irregular pattern of the Company's revenues. For further information about risks the Company could experience as well as other information, please refer to the Company's current Form 10-K and other reports and documents subsequently filed with the Securities and Exchange Commission. For more information, contact: Vincent C. Klinges, Chief Financial Officer, American Software, Inc., (404) 264-5477 or fax: (404) 264-5298..
