**About American Software, Inc.**

Atlanta-based American Software (NASDAQ: AMSWA) provides demand-driven supply chain management and enterprise software solutions, backed by more than 40 years of industry experience, that drive value for companies regardless of market conditions. Logility, Inc., a wholly-owned subsidiary of American Software, is a leading provider of collaborative solutions to optimize the supply chain. Logility Voyager Solutions™ is a complete supply chain and retail optimization solution suite that features a performance monitoring architecture and provides supply chain visibility; demand, inventory and replenishment planning; Sales and Operations Planning (S&OP); supply and inventory optimization; manufacturing planning and scheduling; retail merchandise planning and allocation; and transportation planning and management. Logility customers include Big Lots, Parker Hannifin, Verizon Wireless, and VF Corporation. Demand Management, Inc., a wholly-owned subsidiary of Logility, delivers supply chain solutions to small and midsized manufacturers, distributors and retailers. Demand Management's Demand Solutions® suite is widely deployed and globally recognized for forecasting, demand planning and point-of-sale analysis. Demand Management serves customers such as AutomationDirect.com, Campbell Hausfeld and Lonely Planet. New Generation Computing® (NGC®), a wholly-owned subsidiary of American Software, is a leading provider of PLM, supply chain management, ERP, and shop floor control software and services for brand owners, retailers and consumer products companies. NGC customers include A|X Armani Exchange, Aeropostale, Billabong, Carter's, Destination XL, Hugo Boss, Jos. A. Bank, Marchon Eyewear, Spanx, Swatfame, VF Corporation, and many others. **Forward-Looking Statements**

This press release contains forward-looking statements that are subject to substantial risks and uncertainties. There are a number of factors that could cause actual results to differ materially from those anticipated by statements made herein. These factors include, but are not limited to, changes in general economic conditions, technology and the market for the Company's products and services, including economic conditions within the e-commerce markets; the timely availability and market acceptance of these products and services; the Company's ability to satisfy in a timely manner all SEC required filings and the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and the rules and regulations adopted under that Section; the challenges and risks associated with integration of acquired product lines and companies; the effect of competitive products and pricing; the uncertainty of the viability and effectiveness of strategic alliances; and the irregular pattern of the Company's revenues. For further information about risks the Company could experience as well as other information, please refer to the Company's current Form 10-K and other reports and documents subsequently filed with the Securities and Exchange Commission. For more information, contact: Vincent C. Klinges, Chief Financial Officer, American Software, Inc., (404) 264-5477 or fax: (404) 237-8868.
